Title play results told in PCI golf

The defending champions and medalists continue their advance in the annual men's and women's championship tournaments at Pass Christian Isles Golf Club as the second round of play was completed last weekend.

In the men's division, Dick Merritt, last year's winner, beat Lewis Kistling 2 and 1 while Roy Capehart, medalist, defeated Charles Stewart 4 and 3. In other matches Lee Fisher beat Eddie Fitzmaurice and Don Hertz defeated John Balmonte, both by a 1 up margin.

The semi-finals, which will run through Sept. 12, pit Merritt vs. Fisher and Capehart vs. Hertz.

Mrs. James Durham, who won last year, will play Mrs. John McDonald, medalist and several times champion, in the women's finals. Mrs. Durham beat Mrs. Albert Fletcher 6 and 5 while Mrs. McDonald defeated Mrs. Powell Glass, Jr., 2 and 1.

Labor Day weekend

Leaving to play the Sperry Electric of Long Beach, Southern District Tournament Champions and second place winners in state competition are J.T. Ladner, Leroy Luke and J.V. Morreale. Ladner and Luke played with Southern Realty, 1965 city champions, and Morreale with league winning Trapani's Knock-Knocks.

Sixty-two teams from across the United States have entered the series. Sperry's made the series after state winning Ballus Floor Covering out of Biloxi announced they could not attend.

Durham, Walton

tie in PCI play

Mrs. James Durham and Mrs. Ted Walton tied with low nets of 35 in the ladies day tournament Tuesday at Pass Christian Isles Golf Club. Mrs. Richard Andersen won low puts with 13.

A business meeting is scheduled at 9 a.m. next Tuesday after which 18-hole competition will be resumed for the fall and winter season. First tournament scheduled is the 54-hole medal play school bell event.

Man to face grand jury

Anthony Charles Labue, 39, of Stokely, Ill., was bound over to the grand jury after the second of two hearings in JP Court on Wednesday.

Labue was arrested by Deputies Fred Carter and Everett Benicewicz when he had been observed attempting to break into A-1 Radio and Television on U.S. 90 at 11:25 on Friday. He fled to an automobile in the rear of the building in which the officers later found a bent screwdriver, a crow bar, a 22 revolver, and a 22 rifle. He was then said to have offered the officers several hundred dollars to let him go.

In the initial hearing on Tuesday charges were attempt-

ed breaking and entering, possession of unregistered firearms and attempting to bribe an officer. Insufficient evidence was ruled on the first and last charges and he was fined \$100 on the firearms count.

Sheriff Sylvia J. Labue, Jr., noting that Labue had recently been released from the US Penitentiary at Terre Haute, Ind., after serving an 18 month term for burglary and theft, checked and discovered two outstanding warrants. Labue is currently on \$1,500 bond from a grand larceny charge in Oklahoma, Kan., and is wanted for theft of television sets from a motel in Hope, Ark.

Assistant District Attorney Clyde Hurlburt was present at the second session in which Labue was bound over to the September Grand Jury on Sec. 2075 of state law which prohibits anyone charged with a

B-WYC is in Lipton

Bay-Waveland Yacht Club skippers posted second place honors after sailing in a 12 race round-robin Lipton Trophy elimination series against Pass Christian Yacht Club over the past two weekends.

The Reeves family, represented by Bill, Dick and Judy, finished in that sequence for the first three B-WYC places with Jack Gordon registering fourth place on the score sheet.

After completion of the series scores were: Bill Reeves, 98 1/2; Judy Reeves, 78 1/4; Dick Reeves, 78; Jack Gordon, 70 1/4. These four skippers will now journey to St. Andrews Yacht Club at Panama City to compete in the Six Thomas Lipton Trophy races scheduled for Labor Day.

Pass Christian, who won the round robin series, will be represented at the Lipton by T. A. Schmidt, Warren Adams, Jerry Bellanco and Sydney Ellis.

Other skippers participating in the eliminations from B-WYC were: John Christensen and Mrs. Wesley McFarland, and from Pass Christian, Garry Terrell and Phil David.

Three protests were registered during Saturday's sailing but none were of a serious nature. Weather conditions for the final six races were varied ranging from a severe squall during the ninth race to complete calm on Sunday morning.

Logtown...

(Cont. from Page 1-A.) structure in the MTF buffer zone still in use. Everything else was cleared out last Nov. 1 and Logtown was permitted to continue operation because a replacement had not yet been provided. Bids are to be sought this fall for a new elementary school at Pearlington to relocate the plant.

Chamber...

(Cont. from Page 1-A.) tary-manager, her daughter, Miss Laurie Kiefer, is assisting at the office. The tabloid newspaper being prepared by the chamber for distribution to prospective residents and businesses is now being proofread and should be ready in two to three weeks, it was announced.

Construction checked for assessment

Preparation of the 1966 assessment rolls has been started by Tax Assessor George Heitzmann who is now checking on all new construction since Jan. 1.

He is requesting that new home owners come to his office to confer on their assessment. Heitzmann is now working in the nearby rural areas and will be in the Courthouse early in the mornings and during the afternoons. As he moves up county, his office hours will be shorter.

The '66 assessment already promises to set new records with heavy building activity particularly in Waveland and just outside Bay St. Louis.

For example, Heitzmann noted, of the 72 building permits issued so far this year in Waveland, 62 are for new houses. By comparison, most of the work in Bay St. Louis is in repairs and/or additions. There are only 31 permits so far for new dwellings, half the number of Waveland's.

Bayside Park sub-division has also been extremely active this year with 84 homes now located there, about 40 of them started since Jan. 1.

Real Estate...

(Cont. from Page 1-A.) The real estate office opened here on Jan. 15, 1962, and at the peak of operations employed 47 persons. Its work is expected to be over about the end of the year with court cases and general wrap up of the land acquisition all that remains.

Condemnation proceedings on the contested cases are moving along rapidly before a three-man commission sitting in Biloxi and appointed by U.S. District Judge Harold Cox. The court has been sitting two weeks a month since July and will continue at this pace through September, it is understood.

Road route...

(Cont. from Page 1-A.) dead end street residents may not be able to drive to their doors.

Clearing of the land for the oxidation pond at Webb Street and Old Spanish Trail will start next week. Work between Second Street, Beach Blvd., U.S. 90 and Bread's Lane is being postponed until drawings are completed for development of an office building, motel and garden apartments in that area. Coleman continued. The developer expects to have this information by Oct. 15 and it will probably be necessary to make some redesign of the system for this, he explained.

Meanwhile Mayor John A. Scatliffe called on Bay residents to bear with the city administration during the installation period. If City Hall is informed of any problems, efforts will be made to ease them so that installation is concluded with the least inconvenience possible.

KILN REVIVAL

Rev. Bill Harrison pastor of St. Paul's Memorial Baptist Church in Kiln, announced a revival from Sept. 6 through Sept. 12 at his church. Rev. Charles Worthington of Anniston, Ala., will preach at all services due to commence at 7:30 p.m. each evening and 11:30 a.m. on Sunday.

Every once in a while...

Every once in a while, we formally observe a week of great import. Usually the event is something like National Pickle Week, Rabbit Week, Clean Fingernails Week or Butterfly Preservation Week, all of earth shaking proportions, but we're instituting what we hope will be the first annual Hancock County Be Kind to Teachers Week! This being the week for at least all mammas to truly appreciate the service rendered by those dedicated souls. After three solid months of coping with their little darlings, more or less unaided, we have a feeling that even the most doting will be willing to give her child's instructor a few kind words and might even toss in a flower or two, some fruit or other appropriate gift. After all, you only had to tolerate your own all summer, now consider the plight of one who has to face anywhere from 35 to 50 fiddlehead faces six hours a day, five days a week, then go home, not to relax in front of television, but to make endless reports, check homework and grade tests. Teachers, you wonderful, long suffering creatures, we salute you! Of course, we're only kidding, because you must love the work, or couldn't bear to face each new day, but we do appreciate the wonderful job you're doing!

Labor Day holiday

Labor Day, the last holiday of the season, promised to be one of the largest yet. Absolutely everyone who has a summer home will be here to mark the 'Swan Song' of summer and beaches, piers and the seaway, will be swarming with humanity for the last time until Easter, so let's remember to observe all rules of safety when driving, swimming or boating. Wind-up vacation in a whirl of fun, but don't get careless!

Happy yarn

It does our hard old heart good to have a happy tale to relate. One which proves no matter how deeply it's normally submerged, there is basic good in the souls of at least a few! Our story begins with Jean and Gordon Gleim rushing around as usual trying to attend to business and take care of other little matters like getting the lawn mowed. Jean drove to the shop Wednesday, picked up Gordon, a lawn mower, a boy to use the mower, and didn't notice that Gordon had laid a bank bag holding over \$130 on the outside ledge of the store window. Shortly after they arrived home, the phone rang. Red Hamilton was calling from Hancock Bank saying that an unidentified gentleman had brought the money intact to him to be returned to the rightful owner. The Gleims are extremely grateful and would like to thank the honest one in person, so we're using this method, hoping he'll read the item and identify himself so they can express their thanks.

Edwina Mogabgab has been sending fantastically beautiful cards to friends from Portland, Ore., where she visited her son and family. We can hardly wait for her return to hear how the plane trip turned out this year!

Notebook jottings

Congratulations (belated, of course) are on the way to Helen and Will Borgeas who celebrated their 24th wedding anniversary on Saturday, Aug. 28. The Borgeas are quite excited over the prospect of a long visit from their daughter, Peggy, and her husband, Fred Zimmerman, and most of all, their first grandchild. The Zimmermans will be here for six weeks while Fred attends classes at Keesler Field. IMPORTANT NOTICE to all Miss Pitts winter league bowlers. An organizational meeting is scheduled for 7 p.m. on Thursday at Tower Lanes. Teams, rules, schedules, etc., will be set up at this time. Any team bowling in this league last year is eligible to re-enter, but team captains must be present at the meeting as several new teams are on the waiting list.

Cat wall wishes go to Myrtle (Mrs.) Wesley Haas, who is recuperating from recent major surgery at Gulfport Memorial, and to Helena (Mrs. Bill) Wood. Helena underwent throat surgery at the same hospital on Monday.

Irene and Lloyd Bourgeois have gotten over our taking away the baby we tried so hard to bestow upon them several months ago, as they welcomed two brand new granddaughters within ten days. Son, Lloyd, Jr., and wife, Judy's second daughter, Donna Lynn, arrived at Hancock General on Aug. 12, and Carol Ann and Gene Ramond's first was born Sunday morning, Aug. 22. Little Mary Theresa weighed eight pounds, eight ounces.

RECENTLY WED - Mrs. George Philip Schuler, III,

daughter of Mr. and Mrs. Joseph S. Blanchard, whose marriage to Mr. Schuler was celebrated on Saturday Aug. 21, at Our Lady of the Gulf Catholic Church. He is the son of Mr. and Mrs. Schuler, Jr. of Madison, Wis. The couple will be at home in Baton Rouge, La.

The Frank Tacons are Donna Lynn's maternal grandparents and Ferdie and Mrs. Ramond are Mary T.'s paternal grandpa and grandmaw.

Dorothy (the Waveland one) Russell is driving around in a lovely new yellow automobile.

Congratulations

Joint happy birthday greetings go to 'Aunt Kate' Marquez and Ruth (Mrs. Jim) Redding who celebrated on Saturday, Aug. 21. 'Aunt Kate's' night blooming cereus made her 85th birthday complete by blooming for the second time this summer. We promised Ruth not to divulge which one she observed, but we'll hint, she's wondering how it will feel when 'life begins'.

Marie and Ray Gordon have had their usual complement of summer guests. Most recent were their son, Dr. William A. Gordon, his wife, Pat, and daughter, Marie, and daughter, Kay, husband, Bob Boh, and three children, all of New Orleans.

Gerri and Charles Johnson and children, Charles, Jr. and Kathy, have returned home after spending ten days with Shannon and Tom Roseberry and daughters in their new home in Sandusky, Ohio. We're sorry to report that Shannon was so excited over the prospective arrival of her guests that she fell down the steps and sprained her toe so she couldn't even go dancing while they were there. The Roseberrys can talk of little but the hope of returning to Waveland. They seem to find the Midwest chillier in a number of ways than the deep south!

Marie and Marvin Mancil and children, Ronnie and Elizabeth, were equally reluctant to leave our midst. They departed for Chattanooga, Tenn., on Friday, Marvin wearing a sad expression, Marie and the little ones, openly tearful. We're hoping they'll return sooner, but absolutely refuse to celebrate Waveland St. Pat. (Cont. on Page 8-B.)

Only one man's opinion

We wish to comment on a statement made by one retired man who said that MTF families are unwelcome in Waveland, which was reported in a page 1 story of last week's Sea Coast Echo.

As realtors of a firm with a background of 35 years service to this community, we have in every manner possible strived to find as many homes for newcomers as were available in our town.

When Michoud and Corps of Engineers employees began to arrive our office was kept open nightly for their convenience, and most of these settled in Waveland, as have many with other companies connected with the test site.

For many years, Waveland was only a summer resort area and most businessmen could have closed their doors from Labor Day until June 1st. Now it is a rapidly growing town with new homes,

newly paved streets, new businesses. We are directly grateful to 'new people', many of whom are executives, professional men, teachers, nurses and technicians, who by living and buying here and sending their children to our schools, have so contributed to the economy of the community. College graduates and residents who formerly had to go elsewhere to seek employment are now able to make a living here.

We of MOLLERE'S REALTY once again want to extend our warmest welcome to all, and to assure you that the people of Waveland feel as we do. May we continue to be of assistance in every way to residents and newcomers.

Polly peers

rick's Day without the Mancilla, is just wouldn't be the same. Viva and Boyd Smith are at present enjoying a vacation in Atlanta, Ga.

Animal notes

We have two adorable puppies available for the asking. The cuddly little balls of fur are half collie and half Boston bull. . . If you're looking for a pet, just call anyone in the Bill Wood family, although Susan is the pup's owner. There is jubilation in the Central Avenue-Grosvenor Place neighborhood as everybody's dog, who answers to Mr. Heintz, Buddy or Count, depending upon who has food in hand, is the papa of several lovely mutts. Pretty little Lady, Jackie and Harvey Robertson's pet, is the proud mamma.

Mr. and Mrs. Alvin Smith arrived home Friday after a weeks vacation in his home town of Golden City, Mo. They also visited in Eureka Springs and Hot Springs, Ark. Upon their return their five grandchildren, Jean, Jane, George, Jack and John Peruit, came in from the Crescent City for a weekend visit.

Movie jazz

Our plea in behalf of movie folk, Bill Kiernan, for articles of the early 30's brought forth colorful circus streamers from Bette Hill, which were much appreciated, but we have a list of other articles desperately needed for set decoration. Included are gas station advertising cards or tin signs advertising gas, oil, or any automotive part; Bull Durham advertisements, patent medicine, soft drink (Nehi, for instance), ice cream, or appliance advertising, campaign posters, Red Cross posters, etc., Mr. Kiernan and Stephen Grimes also asked us to express their appreciation to the Price family for so generously allowing them to examine the interior of the old family home on Booker Street.

Gripe corner

We realize much rain has obliterated yellow markings at street intersections where cars are supposed to stop for the Main and Second Street, signal light, but any idiot should know that if a car is upon the intersection, it is impossible for an automobile turning into the street to make the corner. Day after day we fight this problem, and some drivers are absolutely infuriated when it's necessary for them to back up a couple of feet.

Ambition

An ambitious young man is Lee Costa who we're told is operating a brand new enterprise when not occupied with his job at MTF. We'll try and contact Lee for an official We're Growing for Page 1 of next week's Echo.

Jane and Brewster Mollere and children (we think they took all six) have set a record for the shortest vacation of the season. They left Waveland at noon Sunday, arrived in Pensacola, Fla. at 4 p.m., dipped in the

day, he will be turning ten. A note shared with the Echo that the number of birthday celebrations on Tuesday, September 4th, was one. . . Mrs. Joe Collier, retired of Penn. N.Y., are currently house hunting in Pens. . .

SIGHTS AND SOUNDS
LONG THE WAY - High billows of grey-white smoke along the railroad track, appearing as if a threatened attack of the Black Plague was being waged.

is really, simply, something to see; the rather unimpressive sight of a pair of feet, only visible portion of an apparition slumped in an automobile parked in front of the funeral home; the eerie grey and black striped cat which dashes across Main Street at odd hours of every day and the not unpleasant sound of Bob Carver's lone harmonica tune as it drifts lightly on the evening breeze.
